

Here is your opportunity to belong to an organization dedicated to the betterment of its members by providing professional growth opportunities, leadership training and informative seminars. The Association of Educational Office Professionals is the only non-negotiating organization for office professionals in the State of California.

One of AEOP's primary purposes is to encourage personal development through professional growth activities. To this end, AEOP sponsors:

- ❖ **Workshops and seminars**
- ❖ **A \$500 Re-entry Scholarship to a member each year**
- ❖ **Members' attendance at the Annual CAEOP State Conference**

In addition, AEOP undertakes philanthropic projects and hosts a variety of social activities throughout the year.

During LMSV AEOP's 30 years in existence, two activities stand out as having become annual traditions in the District:

- ❖ **June Luncheon and Fashion Show celebrating the retirement of our members**
- ❖ **Christmas Brunch signaling the beginning of the holiday season**

A newer tradition is our annual Bosses' Night to thank all of our administrators for their support throughout the year and to honor the AEOP "Boss of the Year."
