September 2004

PRESIDENT'S MESSAGE

Dear Members,

Thank you to all the supporters of the Cookie-Lee jewelry fundraising campaign. A special thank you to all members involved in facilitating this great fundraiser. Diane B, as the VP of programs, your tireless dedication is much appreciated.

I continue to make a plea to the OM-AEOP Board and members to continue to submit ideas for growth, as well as encourage membership of your peers in OM-AEOP.

As we near the time for election of new officers, I encourage members who have never served on the Board or have not been actively involved in OM-AEOP, to please give consideration to a "yes" answer, if asked to serve on the Board or on a committee.

Every single member is important. OM-AEOP is your organization and you have a direct impact on its growth by your active participation in activities and your involvement in introducing new ideas. A few hours of your time per month...a few dollars in support...it's that simple.

You will find that attending a membership meeting is not demanding, nor is there pressure. You will be among OMSD coworkers that have one common goal to build OM-AEOP into a strong district and community recognized organization. Wouldn't you agree that what OM-AEOP does best help others deserves whatever you have to give in time and support?

Thank you.

President Lowanna M. Owens
