CAEOP Mission Statement

The California Association of Educational Office Professionals is a nonprofit organization that focuses on providing professional growth training programs for non-certificated office personnel, and encourages its members to grow professionally to better understand their role in serving public and private educational institutions.

CAEOP is ...

- * Proud to be the only non-negotiating state association for ALL office professionals in education.
- * Committed to professionalism.
- * Affiliated with the National Association of Educational Office Professionals (NAEOP).

CAEOP provides ...

- * Opportunities to acquire leadership skills working with highly motivated educational office professionals – role models and mentors.
- * Networking opportunities for interrelating with others who have common interests and concerns while gaining stature through the pursuit of professionalism.
- * A District Director in each area (Southern, Central, and Northern) to assist members and affiliate associations.

CAEOP'S goal ...

- * Is to continue to provide in-service education programs, which will improve the professionalism, performance, and adaptability for change of the educational office professional in an administrative support role.

CAEOP believes in Service

- * The educational office professional takes pride in the profession and strives for excellence in service to education and to the community, endeavoring always to be a credit to our profession.
- * The educational office professional values and maintains membership in local, state, and national professional associations and participates in their activities, thereby enhancing the status of all educational office professionals.

Integrity

- * The educational office professional is courteous, sensitive, and professional in all contacts with staff members, students, and members of the community.
- * The educational office professional respects the necessity for confidentiality of information; integrity in handling of school business; tact and compassion in personal relationships; loyalty to the educational institution; and pride and respect for oneself.
- * The educational office professional recognizes and performs all the duties of citizenship giving loyalty to the educational system, the state and the nation.

Skill

- * The educational office professional performs duties accurately and expeditiously, presenting an image of quality and skill.
- * The educational office professional appreciates that education, in any form, is a personal growth experience and welcomes the opportunities for extension of knowledge and improvement of performance.

Diversity Statement
